

Missio Theological Seminary COVID-19 Vaccine Mandate for Commuter Higher Education Institutions

September 2022

To All Students:

The City of Philadelphia has updated the COVID mandate for commuter higher education institutions.

Missio Seminary's new policy is as follows:

- A full series of the COVID vaccine is recommended and encouraged for the safety of our community.
- A full series means it has been two weeks since the final dose of the vaccine.
- If not fully vaccinated a mask must be worn at all times when on campus.

FAQs

Why is Missio recommending vaccines? The City of Philadelphia's Department of Public Health (PDPH) has set the mandate for ALL higher education institutions operating in the city in order to slow the spread of the COVID-19 virus.

Who can an employee talk to if they have questions? You may speak with HR (bbarkley@missio.edu) if you have any concerns. Employees may also reach out to PDPH with questions or concerns via the call center at 215-685-5488 or email covid@phila.gov.

Where to get a vaccine: The vaccine is available to everyone 6 months and older! Find a [City-run vaccine clinic](#) or [partner vaccine clinic](#) to protect yourself and your loved ones. If you have questions about vaccination, call (215) 685-5488.
